the Authorized Body has reviewed documents submitted by the applicant, performed the initial type-testing of the product sample, performed the initial inspection of manufacturing plant, assessed production control and has stated, that

- this product fulfils the requirements derived from related essential requirements given in the above mentioned Government Decree and detailed the National Technical Approval:  
Technical Approval No. 060-044175 of 15.11.2016 with validity extend up to 30.11.2022 by Decision No. 060-049853 of 28.11.2019, issued by the Authorized Body 204.
- the way of the product control by factory production control complies with technical documentation and ensures that products put on the market meet the requirements laid down in the above mentioned National Technical Approval and comply with relevant technical documentation according to Article 4 Clause 3 of the above mentioned Government Decree.

The Product Certification Report No. 060-044176 of 21.11.2016 and Surveillance Report No. 060-049854 of 5.12.2019 containing the conclusion of the findings, assessments, test results and description of the product necessary for its identification are to be considered as an integral part of this certificate.

This certificate was first issued on 21. November 2016 and remains valid as long as the requirements given in the designated technical regulations referred to herein above or the manufacturing conditions in the factory or the way of the product control by factory production control itself are not modified significantly, unless suspended or withdrawn by the Authorized Body

The Authorized Body performs at least once per 12 months the surveillance of proper function of the factory production control at the manufacturer and assesses whether the characteristics of the product comply with the National Technical Approval according to Article 5a Clause 2 of the above mentioned Government Decree. The Authorized Body shall issue a report on the evaluation of surveillance and forwards it to the manufacturer.

The person taking overall responsibility for this certificate:

Brno, 5. November 2019

Ing. Miroslav Procházka  
Deputy Manager of the Authorized Body 204
